NOTICE OF WORKSHOP

HAZARDOUS WASTE REGULATIONS

The Nevada Division of Environmental Protection (NDEP) will be holding a workshop on draft regulations concerning hazardous waste. The purpose of the workshop is to obtain input from the public and regulated community on the proposed regulatory changes.

The State of Nevada is authorized by the United States Environmental Protection Agency (EPA) to enforce federal hazardous waste regulations. Between July 1, 2002, and July 1, 2003, the EPA approved revisions to existing federal hazardous waste regulations and published them in the Federal Register. The State of Nevada is required to modify its state regulations accordingly. The Division of Environmental Protection proposes to incorporate these federal revisions into state regulations by adopting the applicable sections of the Federal Register as it existed on July 1, 2003. The proposed permanent state regulations will modify existing state regulations to make them consistent with current federal requirements. The state is also proposing to update and correct additional state hazardous regulations.

A workshop will be held at the following date, time and location:

October 1, 2003 - 9:00 AM

Nevada Division of Environmental Protection
Conference Room 217
123 West Nye Lane
Carson City, Nevada

Written comments will be accepted until 5:00 PM, October 3, 2003, and should be sent to Jim Trent, Nevada Division of Environmental Protection, Bureau of Waste Management, 333 W. Nye Lane, Carson City, NV 89706-0851. Comments may also be submitted by e-mail to <mailto:jtrent@ndep.nv.gov>. A copy of the proposed regulations may be obtained by calling NDEP at (775) 687-9478. The proposed regulations may also be viewed NDEP's public notice website at <http://ndep.nv.gov/admin/public.htm>.
